Waverly Hall Christian Academy does not discriminate by sex, race, national or ethnic origin in the administration of its educational policies, and other programs.

I. DOCTRINAL STATEMENT

We believe the Bible is the inspired, inerrant, and infallible Word of God. Therefore, it is our sole norm of faith and practice.

We believe that God is a Spirit, infinite, personal, eternal, and unchangeable in His being, wisdom, power, justice, grace, goodness, and truth.

We believe that Jesus Christ was conceived of the Holy Spirit, born of a virgin, lived a sinless life, and died on the cross to pay the penalty for our sins.

We believe that Jesus was physically resurrected to purchase a place in heaven for us which he offers as a free gift, providing the only way of salvation for all men.

We believe in the Trinity consisting of three persons—Father, Son, and Holy Spirit - in One God.

We believe that God created man in His own image and in a state of innocence, but that through temptation man willfully transgressed. As a result, all human beings are born with a sinful nature, and the wages of this sin is death.

We believe in the church, the body of Christ, whose mission is to preach the gospel to the entire world.

We believe that a true believer is secure in Christ forever and is called to live a holy life.

We believe that the ordinances of the church are believer's baptism by immersion and the Lord's Supper.

We believe that those who are believers shall be forever in the presence of God and those who have rejected Christ will be separated from God forever.

We believe in the personal, physical return of our Lord Jesus Christ, prior to the establishment of His Kingdom.

GUIDING VERSE

For the commandment is a lamp; and the law is light; and the reproofs of instruction are the way of life. Proverbs 6:23

II. HISTORY OF THE SCHOOL

The Bible commands that we are to train up a child in the way he should go (Proverbs 22:6). We believe that our children are the most precious gifts God has given to us. We must be faithful in their training because as the Word tells us, the days are evil (Ephesians 5:16), and we see constant reminders of how the influences of this world take our children in wrong directions.

On September 2, 1997, WHCA opened with twenty-six students in grades K-4 through the eighth. The school opened using the premises of a local church. A board of directors operates the school. The administrator, teachers and other staff of the school are employed by the board and are responsible to the board.

In October of 1997, 27 acres of land was donated to the school, and an additional 27 acres was purchased. This remarkable gift has enabled us to expand our vision for the school greatly and will also open other opportunities for ministry.

In September of 1998, the Board of Directors voted to build a new facility. WHCA took possession of the building in January 2000. In 2001 an athletic field was graded that would allow us to play a variety of sports. In 2004, a classroom addition and a softball/baseball field was completed.

III. PURPOSE

A. PURPOSE STATEMENT

Waverly Hall Christian Academy exists to train tomorrow's leaders today in wisdom and stature and in favor with God and man." – Luke 2:52

The purpose of this Christian school is to provide a quality education for our children as an extension of the Christian home. WHCA is not a school to reform or correct behaviors and attitudes that are wrong whether they are a result of problems in the home environment or a result of bad school and peer influences. **Attendance at this school is a privilege, not a right.**

We are committed to teaching the children entrusted to our care will learn real love for God and that they will come to a full understanding and appreciation of what it means to live as Christians in America. We will teach about America's Christian heritage and the qualities that have made her people great. A high priority will be given to having respect for those in authority, for obedience to law, and for self-discipline.

The primary goal of WHCA is to bring every student to the knowledge of Jesus Christ as Savior through the consistent presentation of God through an academic framework. Subjects will be taught from a Christian framework, with attention given to building a Biblical worldview. It is our belief that a person cannot be prepared to be a success in life until he or she is prepared for eternity. Therefore, we believe that all the work at WHCA should be God-centered.

It is our desire to see that our families and students be active in attending a church that believes the Bible to be God's infallible Word.

B. WHCA MISSION

Instructing the mind, influencing the Faith, and impacting the culture for Christ.

C. GOAL

WHCA provides a Christ-centered challenging academic program with an emphasis on a Biblical worldview. WHCA desires to teach, encourage and influence students to integrate Biblical truth into their daily lives and to impact the culture for Christ

D. ASPIRATIONS

WHCA desire to be the clear choice for Christian education. WHCA desires its students to integrate a Biblical World-view into their daily life consistently. WHCA will seek through purposeful interaction with its community.

E. PHILOSOPHY

The goal of Waverly Hall Christian Academy is to be thoroughly Christian in every aspect of its mission. It is not to be just a good school regarding academic achievement but a great school that produces graduates that are well rounded in all aspects. Beyond having high academic standards, we want to be a place which instills the highest standards of Christian character into our students; after all, a highly educated, highly intelligent person without any character or integrity is nothing more than a more effective tool of Satan to use in his kingdom. Since we are committed to helping students from a broad range of socio-economic backgrounds and intellectual capabilities, it is unreasonable for us to expect to be a school that produces only straight "A" students. What we will do is recognize the intrinsic value given by God to every individual He has entrusted to us and strives to use the resources we must help that person achieve their fullest God-given potential. That means we must focus first and foremost on sharing the gospel of Jesus Christ with them. It is only when they are freed from the bondage of sin and their conformity to this world that they will be able to explore their greatest potential. So, our first goal is to always share Christ with them – through the spoken word, through carefully teaching the Holy Scriptures and to lead exemplary lives before them so that may have Christian examples to emulate and to pray for them continually. For Academics, we understand God's word teaches human responsibility in three areas – God, family, and government. God first created man and woman to rule over His creation as family units which are connected by a standard system for societal stability, that is, a government which fosters fulfillment of their responsibility to God. God's creating man and woman to rule over His creation requires knowledge of God's creation. God created families in order to provide relationships for spiritual, mental, emotional and physical stability. This stability requires knowledge of the purposes God has for men and women in the family, church, and society. While the family is the primary instructional unit, the school supplements that instruction. God has established human government to reward righteousness and punish evil. Learning first the principle of self-government, men and women are to be righteous, productive, participating citizens in our God-ordain democratic republic system of government. Revelation in these areas – creation, family and government form the basis

of our educational philosophy. Our curriculum will seek to educate our students in these areas so that they can take their God-given places in the family, church, and society. We will have high expectations of our students; we will believe in them and therefore expect them to do well. We must demand that they do the work and not settle for less than their best. We will not expect them to get it right the first time, but we will expect them to keep working until they get it right. By this, they will learn discipline and the value of hard work, how to solve problems and realize that they are only defeated if they give up and to persist until they have succeeded. We will teach them that the most valuable things are not those things which can be bought but those things which must not be sold or bartered for the porridge of this world. Our goal, in short, is to help our students to be good citizens of and live lives that glorify God and further His kingdom in this world.

F. OBJECTIVES

Our objective is “Preparing Tomorrow’s Leaders Today.” We feel that we are here to educate the students academically and to educate them spiritually. Scripture tells us that if we gain the whole world but lose our souls, then we gain nothing. Our desire is to help disciple our students to be more Christ-like.

IV. ADMISSIONS POLICIES

A. KINDERGARTEN

A K-5 program is offered for children who have reached their fifth birthday by **September 1st**. All admission requirements must be met as listed on the application form.

B. FIRST GRADE

The first-grade program is offered for children who have reached their sixth birthday by **September 1st**. All admission requirements must be met as listed on the application form.

C. GRADES TWO UPWARD

A student may be admitted to these grades by promotion from within WHCA or by transfer from another school, providing that all admission requirements have been met.

D. POLICY ON NON-DISCRIMINATION

Waverly Hall Christian Academy does not discriminate regarding sex, race, color, national or ethnic origin in the administration of its educational policies, financial aid programs, or other school-administered programs. We believe that all people are created in the image of God and that Jesus Christ died to redeem any who will believe; therefore, this school is open to any that fulfill the admission requirements, regardless of their station in life.

E. SELECTION OF STUDENTS

Students are selected for admission based on the following criteria (in addition to the meeting of all requirements listed on the application form):

1. First preference is given to returning students. There shall be a re-enrollment period (currently March). Enrolled students who do not re-enroll during this period are not guaranteed acceptance for the following school year. No student has a right to re-

enrollment. All applications to re-enrollment are approved at the sole discretion of the school's administration.

2. When applications exceed the number of available slots, the administration will give preference to those applicants who can demonstrate the greatest Christian commitment through activities such as church attendance, participation, and family relationships. Consideration will also be given to test scores and past academic achievement.
3. The administration reserves the right to make an exception to this selection policy; however, an exception for one does not mean an exception for all.
4. WHCA seeks students and families who desire a thoroughly Christian education. In grades K5 through 6th, we desire that students come from Christian homes. In grades 7th and above, we will seek to enroll and re-enroll students who have a personal relationship with Christ and have demonstrated good character.

F. WITHDRAWAL POLICY

1. A student may be withdrawn for any reason with written notification to the school. Such notification must be given at least five days in advance of intended withdrawal. If a student is withdrawn after the first school day of the month, all fees must be paid for that entire month. Since the school has to secure faculty and staff based on student enrollment, any student withdrawing from the school voluntarily or involuntarily will be responsible for at least three month's tuition for the current school year. Exceptions may be granted with board approval in special circumstances such as moving, job loss, sickness, etc. Such request must be made in writing within ten working days after withdrawal.
2. The school has the right to ask for the withdrawal of a student, for any reason. If the school requests withdrawal, all fees remain due for services already provided, including the month in which the withdrawal is requested. However, a minimum of three months tuition will be assessed.

V. CURRICULUM

The basic curriculum is ABeka, Glencoe, Apologia, Bob Jones. All instruction in reading is based on the phonics method. The Bible is taught daily. The base curriculum at all levels is enhanced with learning materials from other sources.

The following grading scale is used in the entire school. Credits are issued in 8th-grade levels and above. Only eighth-grade credits that qualify as high school credits will be applied to high school transcripts.

<u>Numerical</u>	<u>Letter</u>	<u>GPA</u>	<u>Credit</u>
90-100	A	4	1
80-89	B	3	1
74-79	C	2	1
70-73	D	1	1
0-69	F	0	0

VI. GRADE-PLACEMENT

A child who transfers in will not automatically be placed in the same grade. Progress through this school depends upon what has been learned (the student's level of achievement). Testing will be used to determine the appropriate grade level for each child. We expect that each child will be proficient at his/her grade level in all subjects before moving on to the next grade. WHCA will administer entrance exams to help evaluate each applicant.

VII. ACCREDITATION

The school intends to maintain the highest academic standards. Waverly Hall Christian Academy is accredited by the Georgia Association of Christian Schools through GAPSAC (Georgia Private School Accreditation Council). GAPSAC is recognized by the Georgia Department of Education and the Georgia Board of Regents. More information can be obtained about GAPSAC by visiting their website at.

VIII. SCHOOL HOURS

The school day begins at 8:00 a.m. and ends at 3:00 p.m. Since no supervision is available, students are not to arrive at the school before 7:30 a.m. or to remain after 3:30 p.m.

IX. ATTENDANCE REQUIREMENTS

The school will enforce the attendance requirements set forth by the WHCA board of directors. If thirty or more days are missed in one school year, then students may not be promoted to the next grade. Students must be present for at least four hours of the school day to be counted present for that day. A general rule is that students must sign in by 11:00 a.m. or sign out after 12:00 noon in order to be considered present for the day. Students who miss more than twenty (20) unexcused days or thirty (30) days (unexcused and excused combined) of one class may not be given credit for that class. Students that miss more than thirty (30) days of school may not be promoted to the next grade level.

Absences shall be recorded as excused or unexcused. All absences are considered unexcused unless the parent furnishes a note. Parents requesting that an absence be excused shall provide a note. Illness, death in the family, or any other emergency situation will be considered as excused with a note from a parent. The administration will be the final authority concerning whether an absence will be recorded as excused.

If any student that has been assigned a caseworker through the Department of Family and Children Services is absent from school twenty-one (21) or more days in the school year, then that student must be reported to the Department of Family and Children's Services.

X. LUNCH

Currently, there is no hot lunch program. There are items available for purchase through the vending machines. Occasionally, the option to buy a lunch is made available through an outside vendor. There is limited refrigeration and heating equipment made available for student use.

XI. GRADES

Grades are reported on a nine-week schedule. Parent conferences are scheduled at appropriate times to keep parents informed of students' progress. Parental involvement is an expected part of

the program. Any student failing core subjects at the end of a semester will be placed on academic probation. If that student fails the following semester, then he may be asked to withdraw from school.

XII. DISCIPLINE

A well-organized and well-disciplined school setting is a requirement for the achievement of real learning. Each student is expected to maintain a proper attitude and to complete assignments without being disrupting to others. Demerits are given for minor violations of rules, which may result in Saturday School or dismissal, depending on the number accumulated. Serious rule violations require parent intervention and assistance. These include lying, cheating, stealing, cursing and other forms of seriously unacceptable behavior. **If a student receives a total of 25 demerits in a semester, then he will serve a two-day suspension. If a student receives a total of 50 demerits within a school year, then he will be brought up for expulsion.**

We believe that corporal punishment (spanking) is both a Biblical and a parental task. No staff member or person entrusted with the care and education of the students of the school shall physically discipline a student. However, a student will be restrained if failure to do so would jeopardize the safety of that child or other children.

Failure of the parent or legal guardian to cooperate in the correction and discipline of their child may result in the expulsion of their child. **Enrollment and attendance at this school is a privilege granted to those who are willing to support the school's rules and total program.**

Students enrolled in the academy are expected to maintain Christian standards of conduct at school as well as in the community. Our students represent the school in all they do and say, and they are expected to be good examples for others. Students are expected to refrain from swearing, smoking, gambling, drinking alcoholic beverages, using narcotics and any immoral and unbiblical activities. Students who violate the rules off-campus are subject to the same disciplinary measures as those that are committed on-campus. No student shall be admitted (or remain enrolled) if involved in any immoral and unbiblical activities, married, divorced, pregnant or has had a child (includes abortion), or having fathered a child.

Enrollment and attendance at Waverly Hall Christian Academy is a privilege and not a right.

A student who does not meet the conduct requirements will be disciplined with measures, which include demerits, Saturday School, suspension, and/or expulsion depending on the seriousness of the offense. Parents of a student who has been expelled may appeal to the Board of Directors by giving a letter to the administrator (such appeal must be made in writing within five days after being expelled).

The school maintains the right to search any student at any time, or to search a student's book bag, desk, locker, automobile, or any item brought on the school premises. If it is deemed necessary to search a student, such must be approved by the administration, and as a witness, a member of the same sex as the person being searched will be used.

Students are prohibited from carrying knives or weapons of any type. WHCA employs the *six-inch rule* when it comes to physical contact with other students, especially with members of the opposite

sex. A copy of WHCA'S Substance Abuse, Drug Testing, and Sexual Harassment policy is available from the office.

If three demerits are given in one day or three demerits are accumulated within a week, then the student will be assigned one hour of Saturday School per three demerits. During Saturday School the student will be assigned detention work and be charged \$10.00 per hour of Saturday School to cover the cost of supervision. Failure to attend Saturday School will result in the student being assigned an additional Saturday School. **If the student fails to attend two consecutive Saturday schools, then the student will be suspended from school for one day.**

XIII. MEDICAL POLICIES/ILLNESS

Students with a communicable disease may not attend school until they have been given clearance from a physician to return.

All medications must be brought to school in their original container with specific instructions for the number, amount, and times of dosages. A parent or legal guardian must sign a permission form. School personnel are not allowed to administer medication but will store it and when needed, give the container to the student so that they may dispense the medication themselves. This also includes any over-the-counter drugs.

As a parent of an enrolled student at Waverly Hall Christian Academy, you release consent to the administration of first-aid and/or doctor's care, or any other form of medical treatment necessitated by illness or injury that may require the same. In the event of the necessity of such care or treatment, as heretofore described, the undersigned agrees to hold harmless and indemnify said academy, its directors, employees and agents from any acts of malfeasance, and/or failure to act on the part of those chosen to administer medical care on behalf of the child.

Parents will be notified when a student becomes ill or injured and/or when it is determined that the student needs to go home. Because first aid facilities are limited, parents are asked to come promptly when notified. If someone other than a parent comes for the student, the parent should notify the school and see that the individual has identification. Please do not send your child to school if they have a fever, stomach problems or infectious diseases. For situation requiring immediate emergency care, the school will try to contact the parent first, but if the parent cannot be contacted, we will call 911.

XIV. SERIOUS INFECTIOUS DISEASE

This school will maintain a responsible position on matters of serious illness, which affects students, families, and the community. It is the policy of this school that accurate information will be maintained and provided about diseases such as AIDS and for HIV positive cases (including causes, effects, and prevention).

The board will deal with persons (employees or students) who are victims of serious infectious disease on a case-by-case basis with consideration of the best medical, legal, and professional advice available and while keeping all parties interests and safety in view. Students that been

diagnosed with an infectious disease must be cleared by a healthcare provider before being allowed to return to school.

Faculty and staff will receive information concerning the proper methods for handling body fluids to which they might be exposed.

XV. SAFETY

Employees and students will give daily consideration to safe living and practice. Fire and tornado drills, book bag searches and other emergency drills will be practiced and reviewed on a regular basis.

School closings due to inclement weather shall be determined according to decisions made by the public education system of Harris County. If the county announces that schools will be closed due to weather conditions, then WHCA will also be closed.

Occasionally, photos will be taken of the students at WHCA for advertisement, our website, and Facebook. Please inform the school in writing if you do not want your child's photos to be used.

XVI. SCHOOL INSURANCE

The school provides each student with a secondary accident policy. This insurance is supplemental to any family plan that is in existence, and it will only cover accidents that take place during school hours or school-sponsored events. The school will accept no financial responsibility for accidental injuries occurring at school or while attending school functions.

XVII. FAMILY INFORMATION

Parents are asked to furnish the school with current names and telephone numbers of all persons permitted to care for their child(ren). Please update the names and phone numbers as changes are made so that the school may contact the appropriate person(s) when necessary. If there is an individual or individuals who are not allowed to pick up your child under any circumstances, it is your obligation to inform us of this in writing on an annual basis (or when changes occur). This notification should be written or typed in a legible manner, separate from the student application, notarized and returned to the school office.

XVIII. TELEPHONE USE / MUSIC

Students desiring to place calls will obtain permission from staff before making any calls. If the message involves a change in transportation arrangements, the parent will be asked to identify himself/herself in a manner, which will provide a identification for the staff person receiving the call, as well as to provide an identity for the person who will be picking up the student. Cell phones must remain in the classroom holding bins during the day. No calling or texting may be made without permission. If a student violates these rules, then the student will have to turn their cell phones into the office when they arrive at school and pick it up after school.

On occasion, students may be allowed to listen to their MP3 players before, after and sometimes during school or at school functions. However, since it is hard to regulate all types of music for appropriate content, students that are found listening to inappropriate music at school or a school function will no longer be able to use their listening devices for a period.

XIX. SOLICITATION

No student or staff member may solicit on campus for other organizations.

XX. VISITOR POLICY

All visitors are required to check-in with the school's office. Visitors are only permitted in the areas approved by the administration.

XXI. DRESS CODE

The purpose of the uniforms is to promote modesty, simplify apparel purchase for parents, reduce negative peer pressure and have attire which is conducive to learning and success; therefore, we ask both parents and students to adopt a cooperative attitude in adhering not only to the letter, but also the spirit of our policies on dress. A school uniform teaches students to dress smartly and take pride in their appearance. Uniforms help students to prepare to dress for their careers when they leave school. Students are required to wear a uniform every day unless specific instructions are given. Uniforms may be purchased at local department stores.

COLLEGE DUAL ENROLLMENT

WHCA participates in a college dual-enrollment program. A student in ninth through twelfth grades are eligible to take a college course for high school and college credit. Additional qualifications must be met to participate. Please contact the office for more information.

GRADUATION REQUIREMENT

All graduates of WHCA will have to graduate with a minimum of 24 credits (Carnegie Units). Diplomas issued will be college preparatory. Additional diploma options are available for students requiring them. Each credit shall consist of 150 clock hours of instruction per year. All students graduating with a 3.2 cumulative GPA will graduate with honors. Valedictorians and salutatorians will be selected from students that have been attending WHCA for a minimum of two consecutive years. Valedictorians and salutatorians must have a minimum of a 3.5 GPA average. Character and other factors will be considered when choosing a valedictorian and salutatorian. All seniors are required to take either the SAT, ACT or Compass before their diplomas will be issued.

XXV. PARENT ACCEPTANCE

Waverly Hall Christian Academy is a Christian school for families who have a desire to provide an educational environment for their children where God, the Bible, and prayer are given their rightful place. Families are asked to pray daily for their school and to provide support for the staff and administration. If there is a difference in opinion or a problem, it is expected that parents will follow the Scriptural instruction in resolving the problem. That is, go directly to the source (teacher or administration) and discuss the problem. If that is unsuccessful, the parents may present in writing their opinion or question to the Board of Directors.

XXVI. AGREEMENT AND DISPUTE RESOLUTION

The Bible states that it is displeasing to God for Christians to handle differences through courts of law (Matthew 18:15, I Corinthians 6). A condition of admission is that families agree that they will not utilize the courts to settle differences with the school. WHCA utilizes Biblical Dispute Resolution (BDR) to settle differences. By enrolling your child in WHCA, you agree to abide by our BDR.

WHCA is committed to following the scriptural instructions for resolving disputes. Therefore, any claim, controversy or dispute arising from or relating to the policies and procedures of WHCA contained in and set forth in the WHCA Parent-Student Handbook, or the breach thereof, shall be settled by mediation and, if mediation is unsuccessful, by arbitration in accordance with CPR (Conflict Prevention and Resolution) Rules of Procedure for Dispute Resolution. These methods shall be the sole remedy for any controversy, claim or dispute arising out of or relating to said policies and procedures, and the parties expressly waive their right to file a lawsuit in any civil court for such controversy, claim or dispute, except to enforce an arbitration decision. For these

policies and procedures, the parties agree to be bound by the Federal Arbitration Act (9 USC §§ 1-16). The terms of this paragraph shall continue to govern any dispute that may arise during or relating to the enrollment a student with WHCA, even after such enrollment might be terminated for any reason.

If anyone violates this trust and takes a matter to court, and the case is settled for the school, the suing parties become responsible for payment of all legal costs.

XXVII. EMERGENCY EVACUATION PROCEDURE

In the event of an emergency, all students will be evacuated to Waverly Hall City Hall. Parents are to go to city hall and pick up their children or wait for further instructions. A staff member will be assigned as the Emergency Evacuation Coordinator at the City Hall.

XXVIII. INTERNET USAGE POLICY

Any student caught visiting inappropriate sites on the Internet at WHCA will be issued demerits, suspension, or depending on the severity, expulsion. A complete policy may be obtained from the office.

XXIX. TRAFFIC SAFETY

All students are to be picked up and dropped off in front of the school. In the afternoons, cars are to park in the two inbound lanes to load up your children. Your help in this matter is critical, especially for the safety of other students. Please pull all the way down leaving a small gap between each car. Please do not pull out of line and leave before the traffic coordinator releases you. If the inbound lanes are already full, please do not use the outbound lane to cut around the traffic. Cutting across traffic is very dangerous, and the safety of our children is critical to all of us. Please wait in line until you can enter the parking lot.

XXX. ASBESTOS HAZARD EMERGENCY RESPONSE ACT

Waverly Hall Christian Academy has received an affidavit from the builder stating that no asbestos materials were used in the construction of the school building.

According to §763.99 *exclusions*, under the Asbestos Hazard Emergency Response Act (**AHERA**), all public and nonpublic schools must be inspected by a certified inspector or have an affidavit stating that no asbestos has been used in the construction of the school building. No asbestos material was used in building our school. **A copy of the affidavit is on file in the school's office and may be inspected by any employee, student or school parent who wishes to do so.**

XXXI. ADOPTION OF HANDBOOK

The Board of Directors of Waverly Hall Christian Academy has approved this handbook, and the board reserves the right to amend or change it at any time. Since the handbook cannot address every situation that may arise, the Board of Directors reserves the right to make decisions that will best benefit the school.
