Parking Policies

Student Parking Information

On-campus parking is a privilege offered to students at Waverly Hall Christian Academy. The Administration will oversee student parking.

Parking permits will be issued to students in the following priority order:

- 1) Seniors 2) Juniors 3) Other underclassmen

Students' vehicles permitted to park on campus must be registered with the school.

Parking permits are non-transferable. The permit may be used only by the individual who acquires it.

Parking permits will be issued only to those students who meet the following criteria:

- Possession of a valid Class C or Class D Georgia Driver's License
- Updated and physical proof of insurance
- Automobile tag number on file with the school

Parking privileges may be revoked by the Administration for irresponsible behavior, unexcused school tardies, or poor academic performance. Vehicles must be always operated in a safe and proper manner on any WHCA school property. Any student who has not been issued a parking permit, or whose permit has been revoked, will not be allowed to park on any WHCA property during school hours.

(Note: New policies may be developed and implemented when the need arises.)

Student Parking Rules and Regulations

1. No loitering. Students are not allowed to sit in cars or stand around in the parking lot.
2. A student must ask permission from the office or staff to return to his/her car during the school day.
3. Parking permits are non-transferable. The permit may be used only by the individual who obtained it. Violations will result in revocation of both parties' parking privileges and disciplinary action.
4. First suspension from school — two weeks' suspension of parking privileges.
5. Second suspension from school — parking privileges revoked for the remainder of the semester.
6. Tardiness — after five tardies to school during a semester, the parking permit will be revoked for the remainder of the semester.
7. Weapons — if found in a student's vehicle or on the student, it will result in the revocation of parking privileges for not less than one school year.
8. Noise — loud music from stereos or P.A. systems will result in the revocation of parking privileges for a week for each offense and/or a fine.
9. On-campus driving misconduct (such as spinning wheels, speeding, etc.) will result in the revocation of parking privileges for one week. If this happens a second time, parking privileges will be revoked for the remainder of the school year.
10. Leaving campus without permission will result in the revocation of parking privileges for the remainder of the semester.
11. Transporting another student off-campus without permission will result in the revocation of parking privileges for the remainder of the semester.

I, the undersigned, have read and understand the Waverly Hall Christian Academy Parking Policies. I agree to comply with all the rules and procedures.
